EXPERIENCE

Software Development Engineer   June 2023 to Present
Mogi IO   New Delhi

- Managed company products and created new features using **React** and **Node.js**.
- Collaborated effectively with team members to implement a user activity feature for the company's products using **Angular12**, **Node.js** and **MongoDB**.

Software Development Engineer   Nov 2021 to June 2023
Queppelin   *Gurgaon*

- Work with cutting edge technologies like aws(**ec2, s3 bucket**) and Blockchain(**solidity**).
- Developed NFTs using blender script to generate around 10000 NFTs on the basis of client requirements in **python** script.

Software Trainee   Jul 2020 to Sept 2020
Tata Consultancy Services   *Remote*

- Work with **Nodejs, React** and **WebRTC** to create a video call and chat application.
- Design the entire architecture and UML design for better understanding of the project.

SKILLS

React.js, React Native, Node.js, MongoDB,SQL, Angular12, C++, AWS(ec2, s3 bucket) , Docker, JavaScript, CICD, Kubernetes, Data Structures, Algorithms, Bash, Object Oriented Programming, REST APIs, Git, Microservices, RabbitMQ

PROJECTS

Visual UI Design with Unsplash

- Developed a user-friendly UI that takes text as input and previews the images retrieved from the Unsplash API.
- **Tech Used:** React

E-notary

- Design frontend UI/UX and implemented PDF editing functionality using Apryse for online notarization.
- **Tech. Used:** Node.JS, Express.JS, Apryse(Pdftron)

NFTKart - Generate & Mint NFTs

- Created a Solidity contract and developed a Python script for Blender to auto-generate NFTs.
- **Tech Used:** React, Python, Solidity

Vossle, Artificial intelligence No-Code for AR

- Design frontend UI/UX and worked on backend services
- **Tech. Used:** Node.JS, Express.JS

Portfolio

- **Tech. Used:** React.js

EDUCATION

Bachelor of Technology in Computer Science & Information Technology
CGPA - 7.58, Mahatma Jyotiba Phule Rohilkhand University, Bareilly (2021 graduated)

ACHIEVEMENTS

- **1st rank** in Discovery Coding Contest in Scalary Academy on College Level.
- **6 Star** on **Hackerrank, 2 Star** on **Codechef, 450 solved** on **Leetcode**
